

## 6 Month Internship with REN21

## Research Assistant

REN21, the Renewable Energy Policy Network for the 21<sup>st</sup> Century, is seeking an intern to support its Secretariat in Paris:

### Responsibilities

- Research and data analysis for the [REN21 Global Status Report](#) and Global Economics Report
- Research support to the authors of the REN21 Renewables Global Status Report and Global Economics Report
- [REN21+](#) community management
- Support the day-to-day operation of the REN21 Secretariat

### Requirements

- Studies in social science, economics, statistics, renewable energy / environmental studies or similar (knowledge in energy finance welcomed)
- IT skills and interest, strong computer skills including internet presentation
- Excellent written and oral English skills and good command of written and oral; other languages are a valuable asset
- Enjoy working as part of an international team
- Attention to detail and clean presentation

To apply, please send a CV and a covering letter outlining your suitability and interest in the position at the latest by **May 31<sup>st</sup> 2013** to [secretariat@ren21.net](mailto:secretariat@ren21.net). Please mention "REN21 Research Internship" in the e-mail header.

The position is based in Paris and will ideally start in **September 2<sup>nd</sup> 2013**. The successful candidate will work under a 6 months paid internship contract. Only short-listed candidates will be contacted. The successful candidate would have a legal right to work in France. The working language of REN21 is English.

Additional information about the activities of REN21 can be found here: [www.ren21.net](http://www.ren21.net)
